## TOWN WARRANT

To the Inhabitants of the Town of Wilmot in the County of Merrimack in said State, qualified to vote in Town Affairs:  
(L. S.)

You are hereby notified to meet at Wilmot Town Hall in said Wilmot on Tuesday, the seventh (7th) day of March, next at one of the clock in the afternoon, to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town is in favor of adopting Amendments to the existing Wilmot Planning Ordinance as proposed by the Planning Board.
3. To take the sense of the qualified voters whether the amendment of the Constitution proposed by the 1971 session of the General Court shall be approved.

You are hereby further notified to meet at the Wilmot Town Hall in said Wilmot the seventh (7th) day of March next, at seven of the clock in the afternoon, to act upon the following subjects:

4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriation of the same.
5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and to negotiate the extension or renewal of the notes securing such loans when it is necessary.
6. To see if the Town will vote to raise and appropriate the sum of \$627.50 (six hundred twenty-seven dollars and

- fifty cents) for the Kearsarge Visiting Nurse Association.
7. (Requested) To see if the Town will vote to raise and appropriate the sum of \$1,500.00 (One thousand five hundred dollars) for the Wilmot Volunteer Fire Company, Inc.
  8. (Requested) To see what sum of money the Town will vote to raise and appropriate for the New London Hospital.
  9. To see if the Town will vote to authorize the Selectmen to sell any material or equipment deemed to be surplus to the Town needs; the sale of highway material or equipment to be made with the approval of the Road Agent.
  10. To see what sum of money the Town will vote to raise and appropriate to purchase the Wilmot Center School building from the Kearsarge Regional School District.
  11. To see what sum of money the Town will vote to raise and appropriate for care and maintenance of Town cemeteries.
  12. To see if the Town will vote to authorize the Selectmen to sell the land formerly occupied by the old Town Garage in Wilmot Center.
  13. To see what sum of money the Town will raise and appropriate for the rehabilitation of the old Town Pound.
  14. To see if the Town will vote to elect the Cemetery Trustees instead of having them appointed by the Selectmen.
  15. To see if the Town will vote to raise and appropriate the sum of \$200. (Two hundred dollars) for the purpose of securing electric service and water supply for the Wilmot Athletic Field in accordance with a petition signed by Patricia Fleury and others.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and seventy-two.

JOHN H. MORSE  
EARLE W. CHANDLER  
GERALD F. RAYNO  
Selectmen of Wilmot.

A true copy of Warrant — Attest:

JOHN H. MORSE  
EARLE W. CHANDLER  
GERALD F. RAYNO  
Selectmen of Wilmot.

## POLICE DEPARTMENT

Your Police Department has logged 914 miles and put in 45.5 hours time and labor, charged to the Town of Wilmot. There were many hours spent on miscellaneous assistance to taxpayers not charged to the Town.

Your Police Department has answered 69 calls for assistance and investigations as listed below.

We wish to thank the Merrimack County Sheriff's Department and N. H. State Police for their cooperation.

We also thank all residents, including our young people of Wilmot for their cooperation in helping to make Wilmot a nice place to live.

Respectfully submitted,

PAUL E. SANBORN,  
Chief

## REPORT OF THE LIBRARY TRUSTEES

To the Townspeople of Wilmot:

Would you vote to close the Wilmot Center School to enable the town to purchase it for library use? Read on!

As you know, the trustees are making an effort this year to acquire the Wilmot Center School for a library building. Since we are a town-supported organization, the building would be paid for by the town and become town property. The article, if passed as stated in the school warrant, would provide that the building revert to the Kearsarge Regional School District if the time came when it was no longer wanted for town purposes.

The Center Library has grown from humble beginnings. On Aug. 2, 1911, a room in the house now occupied by Mr. and Mrs. Richard Hoyt was opened to the public as the Wilmot Library. A few books were contributed, and 58 were purchased from R. H. White Co. and Sears, Roebuck Co. In 1915 the library was moved across the road to a room in the former post office and store building, occupied in later years by Mrs. Ethel Nye. Then in 1923 a final move was made to the present quarters on the second floor of the Town Hall. The last-mentioned was clearly superior to former quarters, and the library through the years has been grateful for a home. It is now equally obvious that the school building is clearly superior to our present home, and we feel that, given this opportunity, we must take advantage of it; not only to expand library facilities but also to preserve an historic building, and possibly in the future to co-house an historical society or at least exhibits of historical significance to the town.

We feel that it is a probability that our schools will never be re-opened. The facilities in New London are such that in this day and age a multi-grade, one-room school could not hope to offer a comparable learning situation. If, however,

an overcrowding situation should arise, there still would be the Flat School to fall back on.

The question has been asked: would the Flat Branch be closed? The answer is, certainly not at this time. We, of course, cannot speak for future boards, but it is our feeling that because of the geographical separation of the two villages, too many people in the Flat area would be deprived of library service. As long as the space in the Community Center is available, we will operate the library.

The appropriation increase of \$100.00 would take care of added operating costs. Should the voters not see fit to grant the increase, the task will be all the harder. We would, however, hope that there are enough far-sighted souls in town to carry the day, to realize the present and future benefits to the town as a whole as well as to the library. Won't you stand up and be counted as a friend?

Children's Book Week was celebrated with a book display in the post office window. Another display, this of New Hampshire books, was presented in the spring.

We continued our Saturday children's film showings, with attendance varying from poor to very good, and we plan to keep up this service four times a year.

Last May the library combined with the Grange and the First Congregational Church in sponsoring a drug program. Films were shown, and representatives from the N. H. State Police discussed the drug problem as a whole and in the state.

The library also continues its annual Pairs and Spares program, with films and a related book display.

In the fall trustee Marion Allen attended a 10-week course in Book Selection at Plymouth State College.

Thanks go to the Community Association for the privi-

lege of continuing the Flat Branch in their building, and to Freedom Acres for the gift of a bulletin board for the Flat Branch.

## REPORT OF THE PLANNING BOARD

Established by vote of the town in 1967, the Planning Board continues to improve the Wilmot Planning Ordinance passed in 1968 and revised in 1970.

Three amendments to the ordinance are presented on the written ballot for your action:

The first would eliminate District C, which permits lots as small as 10,000 square feet within 1,000 feet of great ponds outside of the village district.

The second would increase minimum lot sizes in the villages (District B) from 20,000 square feet to one acre (43,560 square feet) and outside of the village (District A) from one acre to two acres.

The third would permit clusters of single unit or multi-unit dwellings.

Many subdivisions were submitted for approval during 1971, and all of those so far acted upon were eventually approved. The three changes suggested on the ballot clarify and strengthen the minimum requirements upon which approval is based.

Subdivision regulations were adopted after public hearings. These spell out a procedure for subdivision approval and design criteria for new roads.

Turnover among board membership continues, with three replacements in 1971.

Respectfully submitted,

PETER H. ALLEN, Chairman  
Wilmot Planning Board

## REPORT OF SCHOOL BOARD MEMBER

Total enrollment in the Kearsarge Regional School District this year is approximately 1500, which is an increase of 100 over last year. Next year, the high school enrollment is expected to increase by approximately 75. Accordingly, several new teachers will be required to handle this increase. In addition, the industrial arts, business education and home economics programs are being expanded, which will also require additional personnel. There appears to be considerable student interest in these programs. The writer welcomes this increased interest as it is believed that entirely too much emphasis has been placed on academic rather than vocational programs in the past.

As you probably know, the school cost apportionment formula can be reviewed every five years so a change can be considered at this year's annual meeting on March 18th. The present formula calls for 75% of the cost to be based on the number of pupils from each town and 25% on the equalized valuation of each town. As school costs have increased each year, this formula has caused large school tax increases in the towns with low valuations and much smaller increases in the towns with higher equalized valuations. In an effort to alleviate this situation, this year's school warrant will contain five proposed formula changes, only one of which can be adopted, of course. One proposal recommends basing the formula equally on the number of pupils and the equalized valuations of the various towns. The second proposal recommends basing the formula 60% on valuation and 40% on the number of pupils. The third proposal recommends 75%-25% formula, with 75% of the cost based on valuation and 25% on the number of pupils. In other words, the third proposal is a complete reversal of the present formula. The fourth proposal recommends basing all of the cost on valuation while the fifth recommends a very slight change in the present formula, i.e., 74% of the cost based on the number of pupils and 26% based on valuation. All of the proposed changes will result in a lower school cost for Wilmot, with

the fourth proposal offering the greatest reduction. The writer believes that a change is definitely necessary and favors the third proposal at this time.

This year, the school meeting will be held on a Saturday instead of on Thursday, as has been the case in the past. The date is March 18th. In addition, it is being held during the day. The polls will be opened at 12 noon but the actual meeting will not begin until 1:00 P.M. It is hoped that all of you will be able to attend.

Respectfully submitted,

JOHN G. NEWCOMB

## WILMOT VOLUNTEER FIRE CO., INC.

To the Townspeople of Wilmot, N. H.:

This is a financial report of the Wilmot Volunteer Fire Company, Inc., including the Town of Wilmot 1971 appropriation and money raised by the members of the Fire Co.

In October, 1967, we borrowed the sum of \$4,000.00 to construct a new addition to our Fire Station. During 1971 we paid our final payment on this loan.

During 1971 we purchased several new pieces of equipment including (2) New Scott Air Packs with (2) extra Oxygen Tanks, (7) pair of new Rubber Firemen's Boots, Coats, Helmets and Gloves. We purchased (1) 1,000 Gallon Portable Canvas Water Tank. We purchased (4) New Tires for our 1952 Ford Truck. We also installed an Aerial on our Fire Station for communication with our trucks and other Fire Companies in nearby Towns.

The Members of the Wilmot Volunteer Fire Company,

Inc., wish to thank the Selectmen and the townspeople for their cooperation and assistance given to us in our various money raising projects which have helped us to improve our Fire Company.

STANLEY RAYNO, Chief  
Wilmot Volunteer Fire Company, Inc.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

### LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the West Coast with their dry seasons and strong dry hot winds, but 25 years ago this Fall is the anniversary of a disaster that devastated large areas of northern New England, leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947, as nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire, but they happened once, and they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your

town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *MOST IMPORTANT* — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 — was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned—1971 season :

STATE	463 fires	160 acres
DISTRICT	26	10.8
TOWN	0	0

ARTHUR E. THOMPSON  
Forest Fire Warden  
GERALD S. GROSS,  
District Chief

## CIVIL DEFENSE

As you know, in our 1971 Town Meeting the Town of Wilmot included in the Town Budget the sum of \$300.00 for Civil Defense. Civil Defense is primarily for the protection of persons and property in case of a nuclear attack on our country, and in case of a natural disaster within our community, such as hurricanes, floods, tornados, and fires, both building fires and forest fires. The year 1971 was the first year in the Town's history that any money was appropriated for Civil Defense.

It was necessary to have a Civil Defense appropriation in order for the Town to benefit from the State and Federal matching funds and surplus property program. Although we did not accomplish as much as we would have liked to in Civil Defense, we *have made progress*. The reason we did not accomplish as much as we would have liked to is because, like many small towns, we are limited both in funds and personnel within our Civil Defense organization.

Here are some of the areas in which we progressed in Civil Defense. This is where our money went. First off, we purchased a surplus army ambulance, through our State Civil Defense agency, which cost us a service charge of \$35.00. We purchased this vehicle so we could have a rescue unit within our Civil Defense organization. After purchasing this rescue vehicle, we spent more money to equip it, with the proper equipment. Through our State Civil Defense agency, we purchased two stretchers to be used in the rescue vehicle. As our Civil Defense organization is required to have a Fire Services section within it, we also purchased some fire fighting equipment to enable us to be more proficient in fire fighting. We purchased footgear, some four inch Siamese hose connectors, and some storage boxes to store equipment. Of course we also had to spend some money to put our Rescue Vehicle in A-1 condition, such as a new battery, some of the required lights (required by law) and other items such as siren, gas and oil. Very recently, we purchased a 2½ ton Army Surplus Cargo Truck. Our plans are to convert this truck to a fine piece of forest fire or house fire fighting equipment. This truck is a 2½ ton ten wheel cargo truck equipped with an automatic transmission, all-wheel drive, high and low range, and a winch. When we are done with this truck, it will be one of the finest forest fire trucks in this area.

As your Civil Defense Director, I would like to take this opportunity to thank all of the people who have volunteered their services to the Civil Defense organization, and I would like to express my thanks to the following: Mr. Walton Chadwick of New London for his donation of a very nice wheel

mounted rolling stretcher for our Rescue Vehicle, John Grappone Inc., of Concord, N. H., who donated his shop, tools, equipment, and paint to paint our Rescue Vehicle. White Maples Nursing Home in Andover for the donation of bed linens and blankets for our Rescue Vehicle, Mr. Gerald Moulton of Wilmot for the donation of tires for our Rescue Vehicle, Mr. Paul Barton of Wilmot for donating the Red Emergency Light for the Rescue Vehicle, Mrs. Annette Rose for a cash donation to the Civil Defense organization in town, and to Paul Barton, Paul Sanborn, and John Spearman for so tirelessly giving their time, by driving to Concord weekends and evenings and painting our Rescue Vehicle at Grappone's Garage. We still have a long way to go in Civil Defense. We can only do a relatively small amount of the many things there are to do each year. However, our biggest problem is getting enough volunteers to have a good Civil Defense organization. Anyone who would like to volunteer their services, may do so by contacting me. We have many necessary jobs to be done, some relatively easy, some a little harder. But please let us each remember that Civil Defense is for the protection, treatment if necessary, and good of all of us.

Respectfully,

KEITH G. FLEURY  
Director of Civil Defense

## REPORT OF THE TOWN HISTORY COMMITTEE

The first Town House in Wilmot is believed to have been built in the early 1800's. It was erected on Bunker Hill adjacent to the cemetery and was a two-story structure designed to serve as a Meeting House for both civic and religious gatherings.

The building was never completed and in 1844 by vote of the Town Daniel Upton was commissioned to take down

the Town House and build a one-story structure on land of Calvin Fisk nearly opposite the Union Meeting House at Wilmot Center. For this work Mr. Upton was paid \$250.00 using material salvaged from the old Town House.

In 1846 Calvin Fisk deeded the land on which the new Town House had been built to the Town for \$18.00, the building site being described as follows: "Beginning at a stake and stones nearly opposite the Center Meeting House in said Town on the Easterly side of the road leading from the Turnpike by said Meeting House, thence running South-erly on said road ninety-eight feet to a stake and stones, thence Easterly fifty feet to a stake and stones, thence North-erly ninety-eight feet to a stake and stones, thence Westerly fifty feet to the bound first mentioned and is the land on which the Town House now stands."

In March, 1854, the Town voted to paint the Town House and E. L. Wheeler was paid \$55.00 for doing the job.

In 1860 a movement was started to build a *New* Town House but each year that the matter was presented the vote was negative. In 1867 the building was repaired at a cost of \$118.05.

In 1906 the present Town Hall was built and the old building, which was in a sad state of disrepair, was deemed unsafe for further use, was sold for \$20.00 and removed.

The Town History Committee respectfully recommends that the plot of land which was the site of the old Town House be converted into a beauty spot, a mini-park if you will, with an appropriate marker designating its historic significance, and granting on the south end a right of way as easy access to the property of Mr. and Mrs. Alfred Schoeler, formerly known for many years as the McLaughlin, Foote or Trussell property. This right of way has been honored for as long as anyone living can remember and we believe should be continued.

## THE TOWN POUNDS OF WILMOT

Perhaps prodded by the legal action of William Gay, the voters of Wilmot at the March town meeting in 1822 "voted to build a pound 30 feet square for the use of the town and located at the southwesterly corner of the common near the meetinghouse, materials to consist of hemlock posts and boards . . ." for which Jonathan Prescott was paid \$12.50 to build. This would have been on or very near the spot occupied by today's pound, southwesterly of Bunker Hill Cemetery.

In 1834 the town voted to stop the cattle from running at large in the highways of Wilmot.

At the 1835 March meeting it was voted that the selectmen locate and purchase a pound lot. The records show James Philbrick was paid \$1.50 for a pound lot, and William Stinson was paid \$42.25 for building a stone pound, all in 1835. A deed dated April 4, 1835, describes the pound lot thusly: "Beginning at stake and stones and running southerly, parallel with the road leading by the new Meeting House from the Turnpike Two Rods and Twelve Feet. Thence easterly Two Rods and Twelve Feet thence northerly Two Rods and Twelve Feet thence to the bound first mentioned nearly opposite the schoolhouse." This would indicate a second pound being located across the road from the Town Hall and schoolhouse.

In 1860 the voters gave the selectmen power to settle the pound dispute. This appears to have been done by a quit claim deed dated Nov. 9, 1860, in which Benjamin Bunker deeded for \$10 to the selectmen of Wilmot land which "... is bounded Southerly and Easterly by land of said Benjamin Bunker — Northerly by Common Land formerly occupied as a Parade Ground, Westerly by land of Merrill Cross, and is the same land the Pound now stands on, built by Samuel Waldron . . ." This would indicate a third and final pound which still stands today.

As this is one of the few remaining visual ties with our colonial past in Wilmot, the history committee respectfully requests that this area be kept by the town and restored with a marker for the edification and enjoyment of future generations.

## REPORT OF THE CEMETERY TRUSTEES

The Cemetery Trustees were appointed by the Selectmen shortly after Town Meeting last year and were charged with the responsibility of maintaining the town cemeteries in accordance with the town's legal obligation. These cemeteries are: Bunker Hill, Carr, Eagle Pond, North Road, Stern, Tewksbury and White Pond.

We spent most of the year studying what will be needed to meet this obligation. Meetings were held with the Wilmot Selectmen, Wilmot Trustees of Trust Funds, local cemetery personnel, Chadwick Funeral Home, New London Cemetery Commissioners and interested citizens. Also, each cemetery was inspected.

1. The first result of our study is the conclusion that a Cemetery Commission should be an autonomous body elected by the town rather than appointed by the Selectmen. The Selectmen have agreed to this and have placed this on the ballot or Warrant.
2. A budget to reflect the cemetery maintenance and capital outlays should be submitted to the town voters each year by the Cemetery Commission. Our budget recommendation for 1972-1973 is as follows:
  - A. The unused portion of Bunker Hill Cemetery should be surveyed and arranged into orderly lots which can be sold and deeded to interested families. Estimated Cost \$500.00
  - B. Old headstones which have fallen down or been broken should be repaired and placed on foundations. Estimated Cost 100.00
  - C. The Bunker Hill fence which runs along the road should be replaced with a fence in keeping with town pride in its primary cemetery

and gates installed or repaired at North Road  
and Tewksbury Cemeteries. Estimated Cost 1,800.00

D. A start should be made to reclaim Stern Cemetery. Estimated Cost 50.00

E. A soil improvement program should be initiated for all cemeteries. Estimated Cost 100.00

F. All cemeteires should be mowed regularly so that they will be presentable. Estimated Cost 825.00

G. A miscellaneous fund should be established for printed matter for records, deeds, etc. Estimated Cost 50.00

---

TOTAL ESTIMATED COST \$3,425.00

3. A map of the unused section of Bunker Hill Cemetery and any new cemeteries should be prepared and maintained to record the sale of lots and all burials within these lots.
4. All sales of lots, burials and other cemetery business should be handled by a designated member of the Cemetery Commission.
5. In the future as the town outgrows the available area in Bunker Hill there will be a need for more cemetery space. People who have land which they think may be suitable for this purpose and are willing to sell it should contact the Cemetery Commission.

We have enjoyed working as Cemetery Trustees this year. There was a great deal of interest shown by many town citizens. We learned a lot of interesting bits of town history and were impressed with how many people are concerned with the proper maintenance of our cemeteries, both the ones we use now and the ones which have an historical significance to our town.

DANA W. ALDRICH  
JAMES T. CAVE  
PATRICIA FLEURY
